

Welcome to the practice test!

This 30-question resource is provided solely to familiarize you with the format and style of questions on the official knowledge exam.

Please be advised: While this test helps you understand the testing process, relying on these practice questions alone will *NOT* provide the comprehensive knowledge required to pass your actual DLD written test.

The questions you see here will not appear on your official exam. For proper and complete preparation, you must consult the official [Utah Driver Handbook](#).

Committing two or more moving violations within a single, continuous period of driving is considered careless driving.

☐ True

☐ False
